

## About Us

The Doña Ana County Genealogical Society (DACGS) was organized in January 2008. Our mission is to meet the genealogical needs of our members and the general public through the acquisition, preservation and dissemination of genealogical & historical information.

The Society meets at the Thomas Branigan Memorial Library (Roadrunner room) at 2 PM on the second Wednesday of each month. A different program is presented at each meeting, either by an invited guest or a member of the Society who has an area of interest they would like to share with the members.

The Society periodically holds workshops featuring nationally-known genealogists and an occasional local area field trip.

## Come See Who We Are!

Our diverse membership can offer suggestions to help your research, whether it is local, national or international.

Our society welcomes people with various backgrounds.

Through your membership in DACGS, you will have an opportunity to participate in our coaching program, learn about the genealogical records held in various repositories (courthouse, Family History Center, Branigan library), how to search for records worldwide, volunteer for an ongoing project or participate in our genealogy workshop.

## Our programs are open to the public!

For upcoming programs and more information, please see our website at <http://dacgs.org>
